

# *How to request the HOSPICE accompaniment service?*

Contact us by phone, email, or via our website. This can be done by the person themselves, their family, someone close to them, or through a referral from a member of their social or healthcare team.

## *Is there a cost?*

Thanks to the funds raised by the IFCC Association, the HOSPICE accompaniment service is offered free of charge to anyone who needs it, for as long as they need it. There may be a contribution/cost for the home care service, depending on a prior assessment of the applicant's financial situation.

## *¿Who are we?*

- Social Worker, trained in HOSPICE end-of-life care
- Home Care Services (in collaboration with other providers)
- A team of volunteers trained to accompany people through their end of life journey

## **HOSPICE ACCOMPANIMENT SERVICE**

*Practical Assistance  
and emotional support for  
cancer patients at the  
end of life and their  
family/support circle*

FREE SERVICE

# How can we help you?

Practical assistance with personal care and household tasks.

Aids/equipment, translation, transportation.

Respite - free time and rest for the family caregiver.

Information and guidance to help you access and coordinate other resources/make decisions about your care.

Someone by your side who is familiar with the process and can help guide you.

Emotional support through listening and compassionate presence.

**Are you feeling overwhelmed, anxious, or simply want to plan for the best quality of life for the time left to you?**

Our team can accompany you on this journey and support your loved ones.

In words of some of the families we have accompanied:

***"Having someone by my side, attentive, and calm makes me feel comforted, heard, and supported"***

***"The team helped me adapt to a stressful situation, provided me with practical information, and allowed me, as a caregiver, to take the breaks I so desperately needed"***

***"It has allowed us to navigate this delicate process under the best possible conditions"***

**Who is the support service for?**

People with cancer who are in the final or terminal stage and their family/support circle.

It doesn't matter where you are – at home, in a care facility, in the hospital, or homeless.

In this first phase of the project, we are serving people who are resident in the municipality of Santa Eulària des Riu.
